## Germes Spread in Skin

Eczema, Psoriasis and other skin troubles are caused by myriads of germs at work in the skin. Unless these germs are promptly destroyed they rapidly multiply, causing their way down into the sensitive tissue. This is what causes that awful itching and what seemed to come from nowhere. It is a sure sign that you have a serious skin disease with its years of misery. Don't take any chances! Destroy the germs at the beginning of the trouble with that soothing and cleansing wash, the D. D. D. Prescription for Eczema. A 25c bottle will prove this to you. We have had experience with many remedies for skin troubles but have never seen such remarkable cures as those from D. D. D. Prescription. Instant relief from the very first application. We are so confident that D. D. D. will reach your case that it will cost you nothing if the very first full size bottle fails to make good every claim. If you have skin trouble of any kind we certainly advise you to drop in and investigate the merits of D. D. D. anyway. We know that D. D. D. will help you.
